

MSTIP3e.com

- The [Major Streets Transportation Improvement Program \(MSTIP\)](#) is Washington County's primary funding mechanism for countywide transportation system improvements.
- A total of \$160 million will be allocated to fund **MSTIP 3e** projects from Fiscal Year 2018-19 through Fiscal Year 2022-23 - with each of the four County Commissioner districts receiving approximately equal shares.
- The 150% Project List must be trimmed by one-third - or about \$80 million. **YOUR INPUT MATTERS!** Help us shape the future of Washington County's transportation system. Please let us know which of the potential **MSTIP 3e** projects are important to you and why.

MSTIP3e.com – District 2 candidate projects
