**\*NOTE:**

If parking for up to 24 hours you need to phone the office and give the date and time of when the vehicle will be at the property, **no written** permit is required.

If the request is for more than 24 hours or less than 3 days, an office permit is required (check this box)

For time periods exceeding 3 days board approval is required. Therefore extra time needs to be accounted for to receive this approval. The board permit committee meets (at present) most Thursday mornings.
